Foreword

With a sincere desire to meet with your approval, we of the SA-RAHI staff present this, our book, to the students of Sauk Rapids High School. We have attempted to make this a complete record of the happiest and busiest days of your lives and of your fondest memories. If, through the following pages, we have succeeded in reviving for you even a single moment of pleasure or triumph, our aim has been achieved, and our accomplishment has been justified.

Dear Sir:

Since you've taught me how to write a business letter I thought I'd teach you my version of a letter. I hope I passed your exam but if I didn't I'll enjoy another year of typing. I've enjoyed intramurals this year especially when you took care of it. You're a swell guy, "please pass me"

Yours truly,

Dedication

With gratitude and a heart-felt appreciation, we, the senior class of Sauk Rapids high school, dedicate this, our 1950 SA-RAHI, to "Our Town", Sauk Rapids. Without the friendly assistance and steadfast support of friends and neighbors, citizens and businessmen of our community, our school activities could not have attained anywhere near the measure of success with which they were attended.

Due to the support and sympathy of you, the good people of "Our Town", the graduating class of this mid-century year can look back with satisfaction upon the scholastic and extra-curricular achievements of the past four years. And now as we, in the words of our school motto, "Depart to Serve," we do so with a hope that we may be a credit to the institution and the community that has helped us to lay the ground-work for whatever fortune we may build for ourselves.

Parent Teachers Association

The above photos were taken at the district P.T.A. Convention held here November 4.

The P.T.A. through the year may boast of many accomplishments including a Hallowe'en party.

We, the students, truly appreciate all the work our parents and teachers have put into the organization to make it a success, and we sincerely thank all of them.

Administration

Board of Education

The men behind the scenes of every new and worthwhile project put on by the school are the members of the school board. They, in co-operation with Mr. Halvorson have kept the affairs of the school run in a satisfactory manner to all. We salute them in honor of their efforts to bring about much needed improvements.

Four of the six members are shown above with Superintendent Halvorson: Earnest J. Sodergren, Mr. Halvorson, Oscar Krieg, Rudolph B. Nelson, and Ed Salk.

**SUPERINTENDENT

**KENNETH L.
HALVORSON**

Our Superintendent is now in his eighth year as leader of our school system. During those years, Sauk Rapids High School has steadily increased its educational benefits for the student body. Mr. Halvorson has kept the Sauk Rapids Public Schools debt-free, but has, at the same time, made much needed improvements in our administration. Mr. Halvorson's message to the Class of '50—"It is what you learn after you know it all that counts."

Sam, you've been a good "Plug" all year. I hope you get all "A's" on your report card then summer.

Along with the yearbook each year comes the faculty and students decision on the Hall of Fame. Because of the size and prominence of the class of '50, two more were added to the usual four. This year Marilyn Nelson took the highest honors with Don Hill next on the list. Following closely were Donna Thompson, Jean Nierengarten, Don Leners, and Kathy Honebrink.

Senior Class History

Reminiscing through our four years of typical S.R.H.S. good times, we recall each occasion with longing.

We stormed the bastille of Russell Junior High in September of 1946. We sounded off in a class meeting by electing John Sandquist our first president. All the big days of the year were duly acknowledged. On Valentine's Day, we chose a Valentine King, Vern Tracy, and a Queen, Joyce Yozamp. We closed our freshman year with the traditional Junior High picnic at Municipal Park.

We made our Sophomore comeback by traipsing up steps too numerous to mention to the "big" school on the hill. We, the biggest and best class in the school, appointed Marilyn Nelson to herd us through our year's activities. We invaded the school by taking a forward part in athletics, band, glee club, and speech. The highlight of the year was our Sophomore party in January. Adding our contribution to the Homecoming Festivities, we selected Patty Schueller and Joyce Yozamp our sophomore attendants. As graduating sophomores we took part in the all-school picnic at Little Rock Lake.

Feeling like big shots we returned to our alma mater as "upperclassmen." We juniors contributed a great deal towards the success of the athletics, speech, and the music department. Fourteen of our juniors helped the band obtain an A rating in the annual district contest. The debate team was composed entirely of juniors: Jean Nierengarten, Jackie Roberts, Marilyn Nelson, and Kathy Honebrink. We also had our share of stars in the athletic department. Class doings for the coming year were in the capable hands of Don Hill, president. We began something new at Sauk Rapids last year. A junior girl, sponsored by the Sauk Rapids Legion Auxiliary, was elected to attend Girls State, an annual convention held in St. Paul. The lucky junior was Donna Thompson. Our first

big day was on May 13, 1949, when we sponsored the formal dance for the seniors. A ship liner theme was carried out with a sky of navy blue. The first privilege we enjoyed was the presentation of Oscar Wilde's "The Importance of Being Earnest." Its usually subtle English humor was brought out vividly by John Sandquist, Leonard Skeate, Betty Lezer and Jackie Roberts, while Kathy Honebrink tore down the house by speaking in a revolutionary voice range. Again, we wound up the year at Little Rock Lake.

Now we entered the long-awaited year—seniors at last! Our final year began by electing Donna Thompson to the office of president. One of the greatest thrills we experienced this year was the day we were told that our class rings had arrived.

Thanks to us, Homecoming was changed a little this year. We broke the tradition of just electing a girl for queen right off. Instead, we elected four candidates, Donna Thompson, Arlys Scheel, Jackie Roberts, and Kathy Honebrink, and had extensive campaigns for each. The whole school voted for Homecoming Queen of 1949. Adding to the Homecoming festival was a parade to which we contributed a class float. Rain blotted out the traditional bonfire.

The Student Council also went more rigidly into effect this year under the able direction of Marilyn Nelson, assisted by vice-president, John Sandquist.

Another tribute goes to this class for sponsoring the first formal Sno-Ball on February 11, 1950, with music by The Whispers. The name suggests the theme.

Now with this Sarahi of ours for remembrance, we bid adieu to the biggest and shortest four years of our lives. We officially close them in caps'n gowns in June by leaving with our diplomas to "Depart to Serve."

Junior Class History

In September of 1947, 58 shy freshmen entered the Russell Junior High. After a "getting acquainted" program, we elected Leona Koepp our president. We had our share of representation in the Student Council with one of our classmates, Bonnie Case, acting as president. Our projects were many during the year. Our biggest celebration was a Valentine Party at which time we chose a king and queen, Reinhard Hoaglund and Bonnie Case.

Entering the Senior High we were caught in the twirl of growing up. Although we felt a little awkward at first, we started our sophomore year by naming Bonnie Case our leader. Under her management Valentine's Day was celebrated again, this time with an all-school party. For the Homecoming activities we placed Bonnie Case and June Curtis as attendants of

the queen.

The class of '51 entered school this year as "upperclassmen" and under the leadership of Delroy Orłowski, found prominence in the high school. This year we chose Leona Koepp for the Junior Homecoming attendant.

One of the greatest events of the year was presenting "Hobgoblin House."

Outstanding in sports again this year was Rog Swalbowski who made the all-conference team in football and basketball.

This year Delrose Bergstrasser received the honors of being elected to Girls State—lucky gal!

The Junior-Senior Prom plans showed some new ideas to make another great occasion for the Class of '51.

Goodbye to the seniors—and to the others—we'll be seeing you next year.

Sophomore Class History

September, 1948—What pleasant memories this date brings to us! Eighty-four freshmen were enrolled at the Russell Junior High. We felt pretty good being the “high” students there. Soon after school opened the class chose Tom Baker its leader. Among our representatives to the Student Council was Charles Marx, who served as president. We thoroughly enjoyed our initial year by having many parties, including a Christmas party and a Valentine party. For the latter we had Rhea Koepp and Tommy Baker taking the honors of Valentine King and Queen. We also had declamatory and singing contests. We ended our freshman year by having a picnic at Municipal Park.

Entering the senior high gave all of us a big thrill, even though we were sometimes called the “little sophomores.” However, we soon

became acquainted as a result of the “Meet the Sophomores” dance given by the “Sarahi.”

This year Jim Jahn was promoted from vice president of the class to president, with Lou Bolinski filling in his office. At the Homecoming celebration we were all there to back Shirley Petron, the attendant from our class for the big event. Another highlight of the year was the Sophomore class party in December, which was deemed a great success. A one-act play entitled the “Moon Keeps Shining,” was also given by the sophomores. Many sophomore boys made the athletic teams while other boys and girls went out for the Press Club, Band, and Glee Club and forensics.

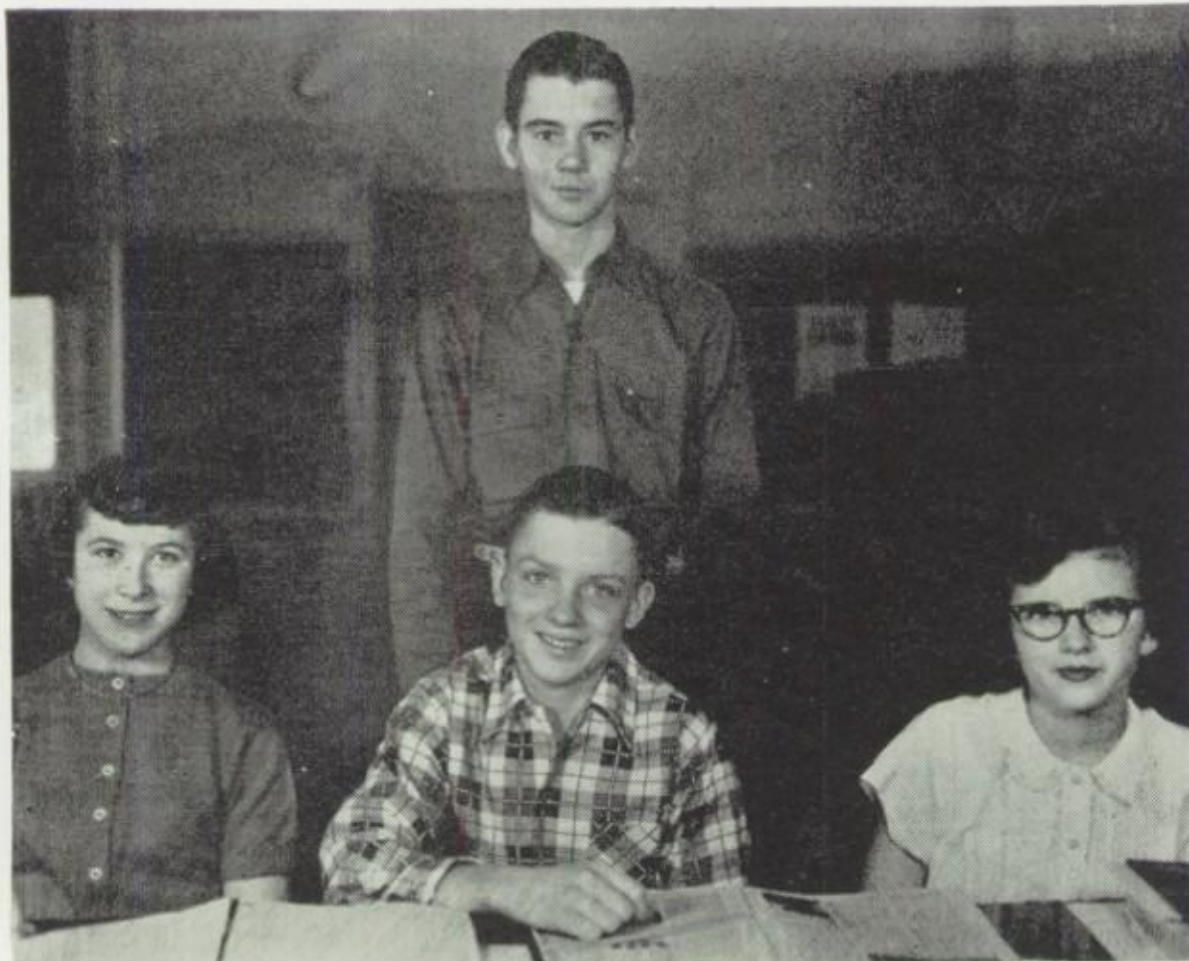

Now that our sophomore year has nearly come to a close, we hopefully look forward to our future years at Sauk Rapids High.

THE JUNIOR HIGH

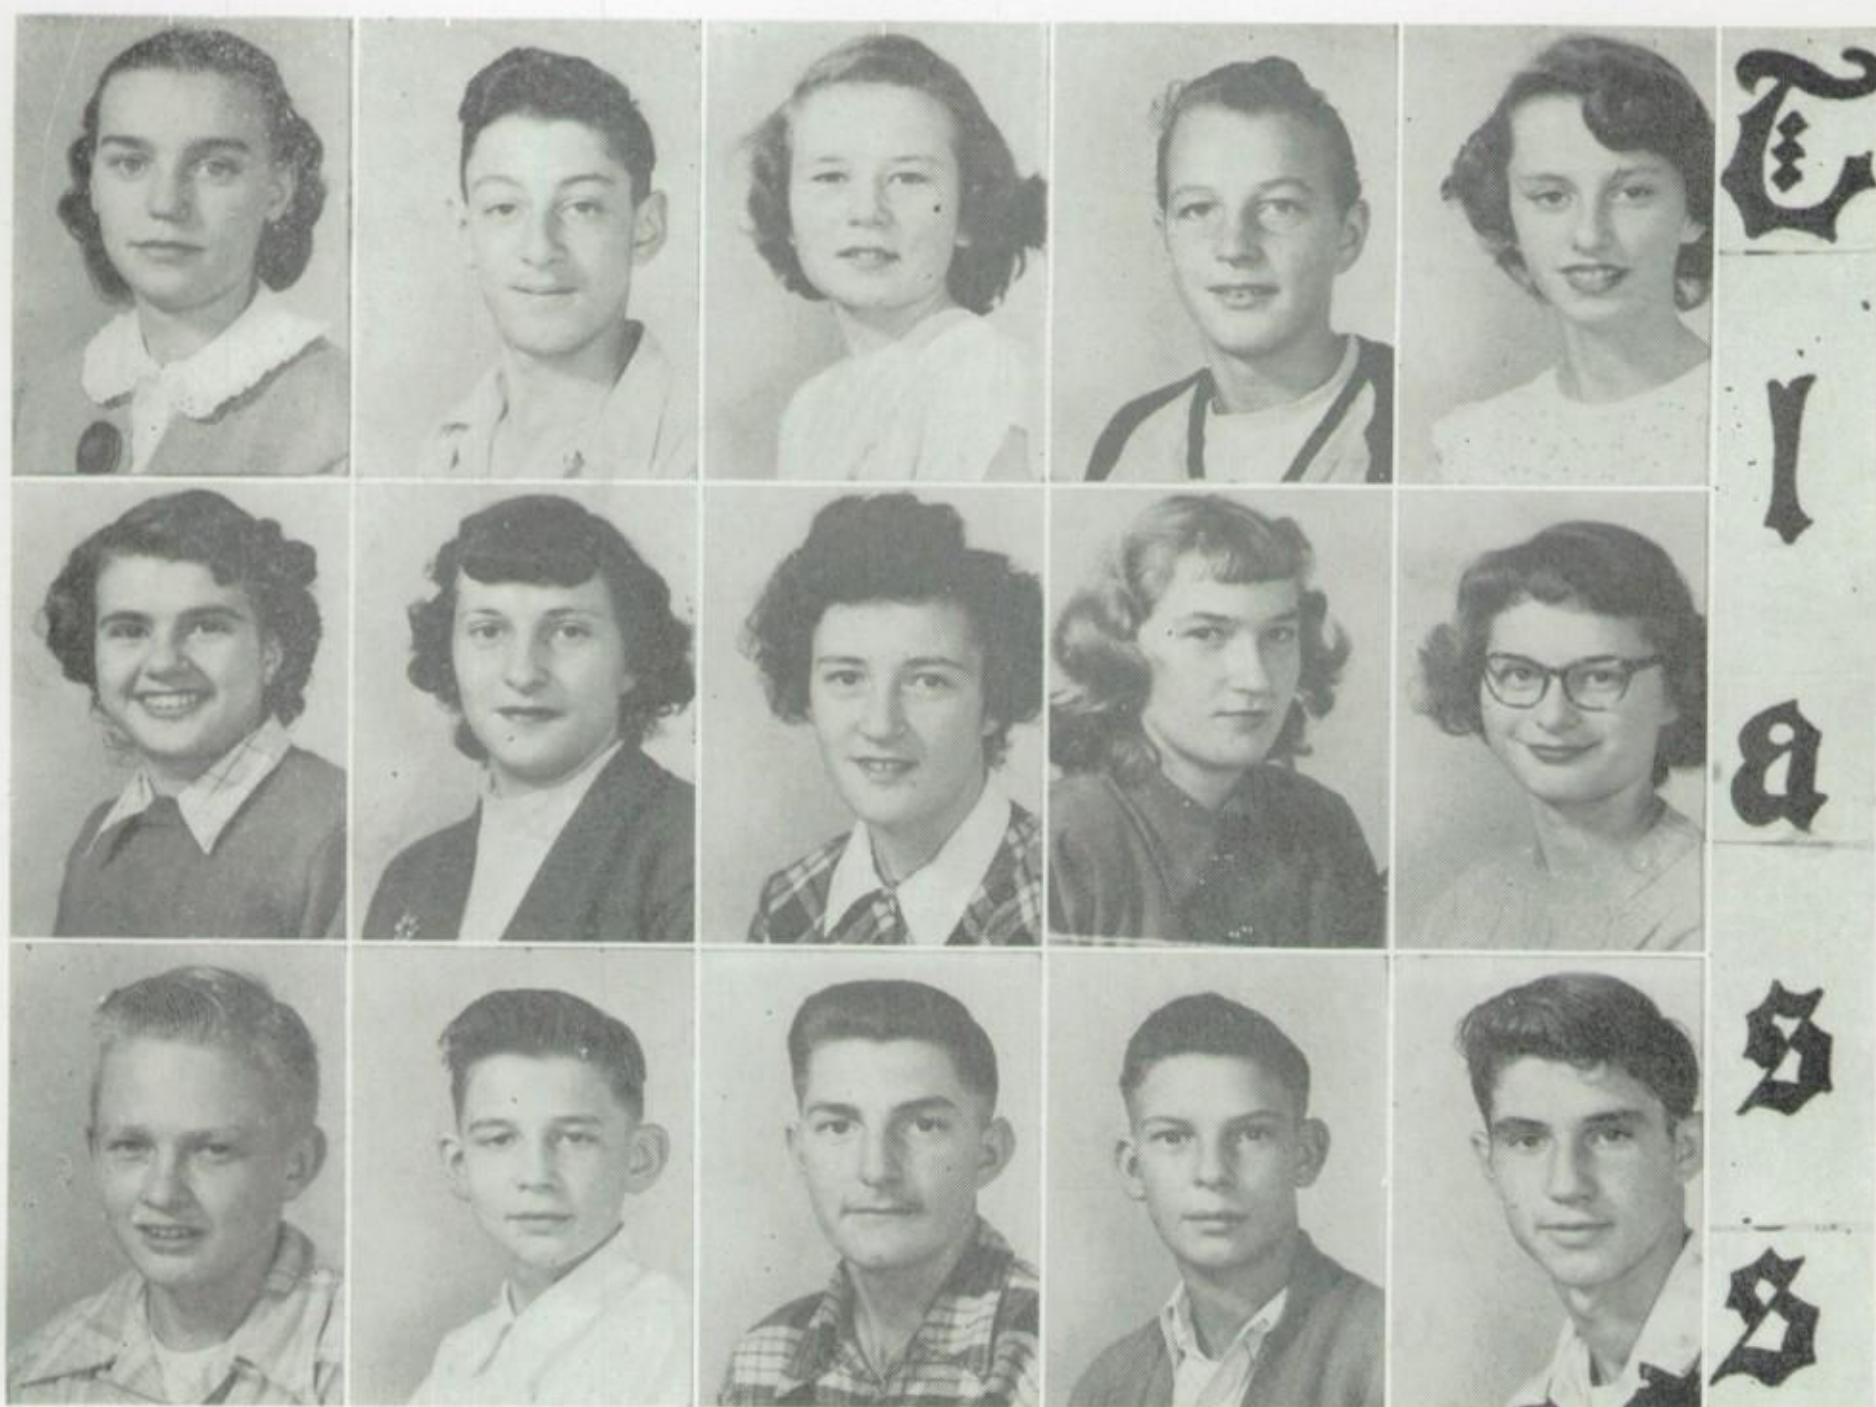

Because the seventh and eighth grade activities are so closely related to those of the Freshman class, we are including them in this year's Sarahi. An accomplishment of the group is shown below, the introduction of the school patrol.

Freshman Class History

At the beginning of the 1949-50 term, the Freshman class enrolled 72 pupils.

The class officers; President John Ryan, Vice President Helen Sandquist, Secretary Marilyn Kosloske, Treasurer Lawrence Theis; and Student Council President Joanne Erstad, and other council members were chosen soon after school opened.

The following clubs were organized for the students to choose from: Dramatic Club, faculty advisor Miss Kennedy; Craft Club, faculty advisor Mrs. Rhoda; Press Club, faculty advisor Miss Kennedy.

Some of the big events of the year were the Christmas and Valentine parties. King Milton Monnier; Queen, Marjorie Harrington; and attendants Marilyn Kosloske, Pat Welch, Helen Sandquist, Roy Wiesenberg, Lawrence Thies, and Milton Kuene were chosen for the Valentine party. Other parties were given for perfect attendance during the six weeks periods.

A magazine drive was held for two weeks in February and 100% of the ninth grade sold one subscription or more.

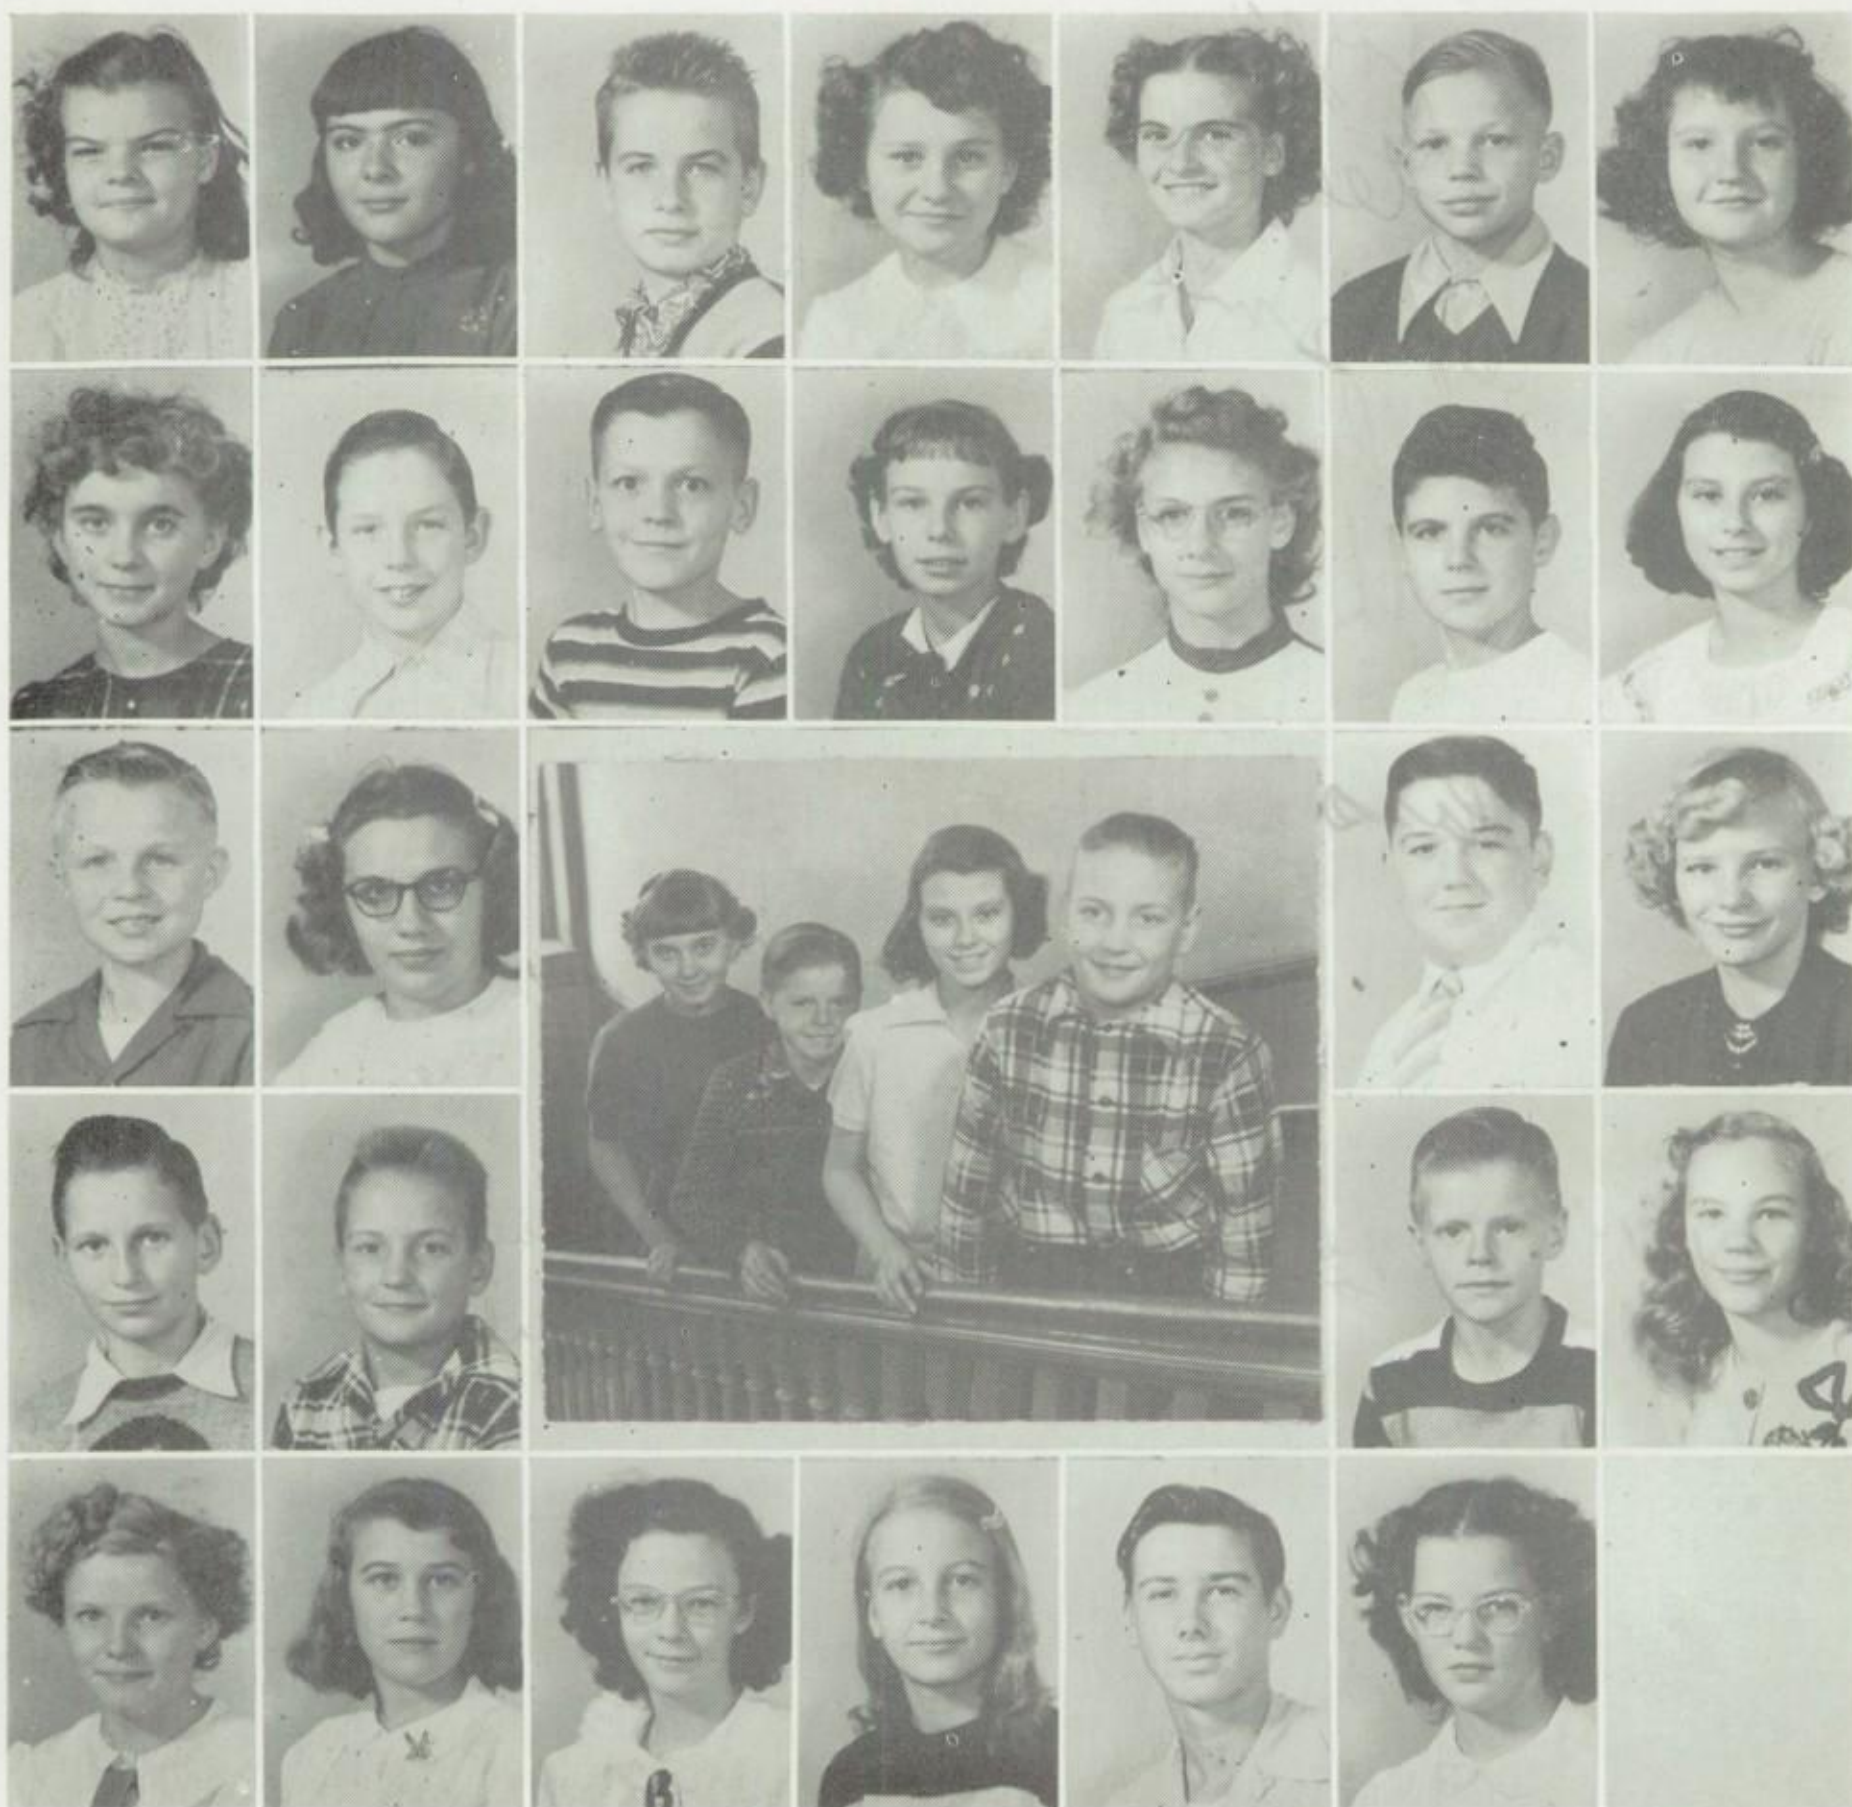

Probably one of the biggest happenings of the term was the picnic at the Municipal Park at the close of the term.

Class officers: Dicky Harrington, Alvin Carlson, Jim Warrick.

The greatest holiday for the freshmen was Valentine's day which found Dolly Harrington and Milton Monnier, (top) taking top honors as Valentine Queen and King. The third picture finds the chairmen of the magazine sales which brought in quite a dividend.

The fourth picture was taken at P. T. A. where these people participated in a program for their parents and teachers.

Coaching Staff

Coach Jack Conley, athletic director and head coach of three sports at S.R.H.S., has in four years established a reputation of being one of the top mentors in Central Minnesota. He has always made the most out of the material at hand and has started athletics in the lower grades to bring out new prospects for future teams. His enviable record finds Sauk Rapids dropping only four contests in four seasons. The footballers have had an undefeated season and are co-holders of the Central Gopher championship.

Conley's basketball teams have had an improved record every year, and in the last two seasons, they have been sole and co-conference champs, sub-district titleholders and runners-up in District 19. Mr. Conley has been responsible for the introduction of baseball on the spring sports program. Deserving most of the credit for the success enjoyed by the Indians in all sports, Coach Conley has given Sauk Rapids a well-balanced athletic program.

The speedy Rapids '49-50 team took over the north sub-district title by defeating Tall Tech 57 to 54 and went on to become the runners-up in the district tournament—topped only by the Bison-high-boys. The quint held its own all through the season by winning 19 and losing only 5. The conference title was shared with Foley.

Steadily increasing in student interest, track is rapidly becoming a major sport around S.R.H.S. Don Reedstrom is holder of the conference and school 440 records; Don Leners has set a new Central Gopher 880 mark; and shotputter Dave Patton was an entrant in the 1949 state meet.

Within the last two years something new in athletics has been introduced into this school — intramural basketball. Before this, this sport was virtually limited to those who “went out” for it in a big way by practicing every night and eventually making the team. These few fellows who were able to make the grade were the only ones that ever took part in the game. Now it’s everybody’s game! Not much to watch, but to play! Those who can’t be here after school can get in trim by playing under the noon-hour recreation program. The games are

held in the evenings and those who really are interested in this activity are able to be here on those nights. This year not less than eight teams were organized under this system — Cast-offs, Lakers, Little Joes, Globetrotters, Slopshots, Killer Dillers, Galloping Gophers, Buckshots.

The Cast-offs took top honors in the tournament by defeating the Lakers. The grand champs are pictured above. Pooch Orloske of the Cast-offs was high-point man.

Activities

Sno-Ball

From our old "informal prom" of years back, came a very new and wonderful Sno-ball on February 11, reigned over by Don Hill and Marilyn Nelson.

The theme Sno-ball was carried out in winter array with the throne built like a sleigh. With music by the "Whispers" the dance turned out to be the best of the year.

Homecoming

October 21 began the best and most unusual Homecoming we've ever had. It was just a little snowy at the game, but we did "Maul'bany" by a score of 34-6!

Below, eyeing the crown, were the four candidates Kathy, Arlys, Kathy, and Jackie. The portrait with attendants and escorts shows Shirley Petron, escorted by Lou Bolinski, Arlys Scheel by Don Reedstrom, Jackie Roberts by Gordy Axel, Kathy Honebrink by Vern Tracy, Queen Donna Thompson by Don Hill and Leona Koepp by Rog Swalboske.

Senior Class Play . . .

"SEVENTEENTH SUMMER"

The seniors, this year, chose for their final presentation the sentimental comedy of adolescent romance "Seventeenth Summer", a three-act dramatization of the popular novel by Maureen Daly.

Jackie Roberts as "Angie" and Don Hill as "Jack" played the leads in the play which won the smiles and tears of an audience that packed the auditorium May 3rd and 4th. Student directed by Merlyn Reberg under the supervision of Mr. D. P. Ciochetto, the production featured the following: Lorraine (Marilyn Nelson), Margaret (Kathy Honebrink), Kitty (Patsy Heltemes), Mother (Donna Thompson), Father (Art Starr), Jane (Joyce Yozamp), Margie (Betty Lezer), Art (John Sandquist), Martin (Len Skeate), Tony (Gordy Axel) and Fitz (Don Reedstrom).

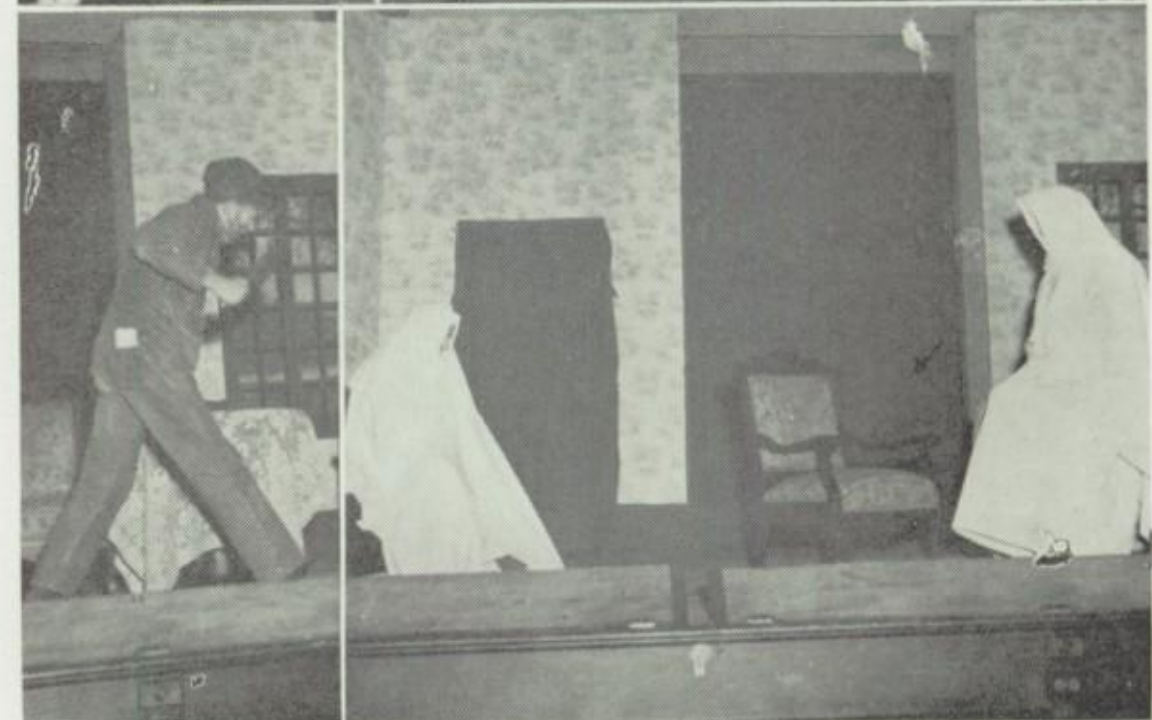

A large production staff headed by Duane Lemmerman, Jerry Sova, Don Leners, Ken Studanski, Ed Larson, Jean Nierengarten, Betty Barthelemy, and Mary Ellen Benoit contributed to the polished presentation.

Junior Class Play . . .

"HOBGOBLIN HOUSE"

HOBGOBLIN HOUSE, a mystery in three acts by Jay Tobias, was presented on November 17 and 18 under the direction of Miss Elizabeth Falconer and student director Bonnie Case.

The characters in the play were headed by Krupp, "God rest his soul" Otto. The part of the aunt was played by "Falapoodle and Poppycock!" Wippich. "Seventeen duck fits" Stack, "G-g-g-goshnes" Swalboske, and Delilah "Lawdy lawdy" Kath. The two romantic leads of Marion and Jill, the nieces, were portrayed by Leona Koepp and Eleanor Lezer. Playing opposite the girls were Del Orlovski and Albert Thelen. Other characters were Blue-bird Bronson, an escaped maniac, played by Russell Sova and his keeper, Floyd Uderman. The mysterious phantom was played by Shirley Kosloske.

First was the student monitors in study halls, then the purchasing of records for the free use of any school organization, and most important the first student lyceum held just before Easter vacation.

Debaters To Meet

The record over the last year ago. In still another contest held before the Christmas vacation, no decision was given. In store also for the orators is the regional debate tournament to be held in South St. Paul on February 17. As there are no other debate teams in District 19, the Sauk Rapids delegation is automatically district 19 champions, and go on to the region to compete for state competition. Last year, the Rapids debators lost their regional debates but vow with the help of Coach D.P. Cio to do "a lot better".

Sahari

Editor Jean Nierengarten making up copy, with associate editor Delrose Bergstrasser at the typewriter.

Sahari photographers Mr. Richard Ashley and Kathy Honebrink after a "watch the birdie" session. Eric Honebrink, also on the staff, was probably already busy developing the pictures just taken.

Don Hill, small sports editor, looks slightly worried as one of his associates, Don Leners, hacks away on some valuable sports shots. Evidently Gordy, who just associates with the editor, wasn't in the mood to have his 'pitcher took'. His job is the gathering of the photos.

Looks like Margaret Hockert got ahead of Art Starr by collecting one of those rare subscriptions. Business-manager-Margaret had quite a job keeping the books "out of the red". Art headed the yearbook sales. Jerry Sovo, advertising manager, was busy blowing on his trombone when this portrait was made.

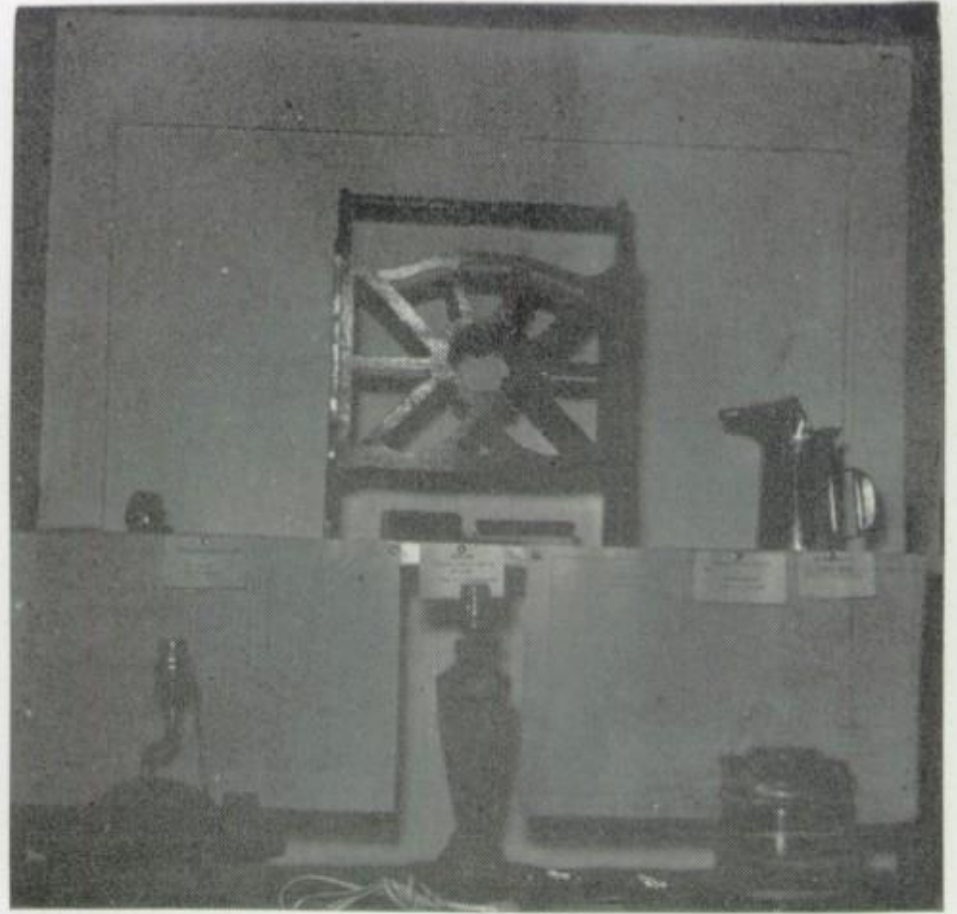

Jackie Roberts, Patsy Heltemes, and Margaret Hockert discover Dale's middle name. Jackie smiles, Margaret tries not to and Patsy just looks sympathetic.

"Gorgeous George" and the "Masked Marvel" battle it out for the world's title, at a pepfest before the Holdingford game. Juniors, Joe Leyk, Chubby Kosloske and Bonnie Case invade the prop room for their class play, under the supervision of Miss Falconer.

Looking chummy in the upper left hand corner are Betty Kutzorik, Chubby Kosloske, and Pat Gorsecki. Others in the top row are "Babe" Reberg, Betty Kutzorik, Arlene Scapanski, and Cecil Ackerson. Second row, left to right: Virginia Schlichting, Joyce Yozamp, Joelle Fleegel, Beverly and Marlene Gossweiler, Leona Koepp and her cousin. Third row: Bonnie Case, Larry Tracy, Kathy Honebrink and Marilyn Nelson, Leonard Skeates and his nephews. Fourth row: Betty Skuza and "Annie" Bohm, Joan Stack and Rhea Koepp, Cecil Ackerson showing off his "hot rod," Bonnie Case and Joan Stack.

To a swell
 teacher, I sure
 enjoyed those
 two years in
 your class.
 Hope to see more of you
 after I graduate, if
 you'll pass me that is
 Art. Stan

"The end has come, as come it must
To all things; in these sweet June days
The teacher and the scholar trust
Their parting feet to separate ways.

"They part, but in the years to be
Shall pleasant memories cling to each,
As shells bear inland from the sea
The murmur of rhythmic beach.

"And when the world shall link your names
With gracious lives and manners fine,
The teacher shall assert her claims
And proudly whisper, "These are mine!"

—John G. Whittier
